TALES OF *Two Cities*

JUST STORIES

Both Ontario and Upland seemed to be quite deserted today in comparison with the crowded streets of pre-Christmas days. And those who did manage to get around before noon had only Christmas stories to tell us—some of which we pass on to you.

CAR TROUBLE

Dick Manley, Upland city manager, had a different kind of car trouble yesterday — right in his front room.

It seems that Dick took part in some kind of a grab bag and came up with a toy auto that had a motor. While enjoying himself with it, his dog, a cocker spaniel, put up a serious objection to the whole thing. He growled at the new contraption and finally pounced on it.

But our canine friend was in for a surprise as was his master. Instead of destroying the car as he had hoped, the dog got one of his long ears caught in the motor. It took Dick nearly half an hour to disengage the dog from the car, although for a time it seemed as if the house pet would become motorized. Imagine having a dog that came putt-putting to greet you at the door.

GIVE TOYS

The Christmas joy brought by members of the Ontario Optimists club Tuesday to unfortunate children is something of which the entire community can be proud. Receiving old toys from various people the Optimists rebuilt and repainted them and passed them to kids whose Christmas might not have been so merry. It's one part of the holiday season that many of us do not think about as we enjoy the parties and Christmas spirit ourselves.

Bill Wright, publicity chairman for the club, wants us to thank the public for their cooperation in making toys available and bringing about the success of the project. While we agree that every one who gave some kind of an article deserves a grateful thanks, the rest of us should always remember that it was the Optimists who thought of the "less fortunate children" when they could so easily have been forgotten.

SCORE HIT

We heard a lot of Christmas programs Wednesday and yesterday but what we enjoyed most of all was the appearance of Chaffey's symphonic choir on the "Conquest" program over KFI. We admit to having our judgment a little colored by local pride, but the fact still remains that the choir did a very outstanding job. It's easy to take great organizations like the Chaffey symphonic choir for granted when they're so close to home. It takes appearances like that on Christmas Eve to make us really appreciate it.

Stoebe Named 'Mr. Cucamonga'

Wallace Stoebe, principal of Cucamonga Central school, was named "Mr. Cucamonga" yesterday in recognition of his services to the community.

Stoebe piled a vast majority of votes for the honor in the election held Wednesday.

Qualifications for the position which was abandoned during war years and revived for the first time this week, are that "Mr. Cucamonga be a resident of the area embracing the Cucamonga fire district area or that he earn his living through employment in the district.

Ex-Secretary Tells War Experiences

NEW YORK (AP)—Former Secretary of War Henry L. Stimson in his wartime biography, "On Active Service," wrote that if he or George Marshall had been the American commander-in-chief the invasion of France would have been launched in 1943, one year earlier than it actually occurred.

"Would the war have been ended sooner?" he conjected. "This is a problem in a dozen unknowns. No certain answer is possible, and the matter is here left open."

But Stimson declared that President Roosevelt's decision to land an Allied force in North Africa in the fall of 1942 was disapproved at the time by Stimson and the American War Department staff.

The first installment of his biography writen in collaboration with McGeorge Bundy of Harvard university, appears in the January isue of the Ladies' Home Journal.

WEATHER

Southern California: Clear or scattered high thin cloudiness today and tonight, with increasing high cloudiness Saturday; slightly cooler coastal sections Saturday.

FLASH FIRE

Another Ontario Home Destroyed

Post-holiday tragedy struck the C. D. Lewis family, 916 South Plum avenue, Ontario, this morning when their home was destroyed by a fast-moving "flash" fire.

Lewis told firemen that he stepped from his front room to the kitchen for a moment and on his return found the sofa blazing.

Lewis roused his wife, who was still sleeping, and they fled from the house to call the fire department. By the time firemen arrived the fire had spread to all four rooms of the house and had gutted the interior leaving nothing but a blackened shell.

Lost in the fire, which traveled with lightning-like speed, were almost all of the Lewis' personal belongings, including Christmas gifts.

Cause of the fire, which was still smoldering hours after it was brought under control, was not immediately determined as a thorough investigation could not be undertaken until all embers had cooled.

No estimate of loss had been made today.

This morning's five was the second house to be destroyeed in Ontario in a three-day period.

Wednesday morning the J. W. Scott two-story residence, 218 East G street, Ontario, was gutted by a fire of undetermined origin.

Mrs. J. Wesley Scott, Los Angeles, was trapped on the second floor of the Scott residence and was overcome by smoke before her rescue was effected by Ontario firemen.

In today's fire no one was injured.

Yesterday noon fire broke out at the dump at Twenty-sixth street and San Antonio wash and burned for three hours before it was brought under control.

A state forestry truck, a U. S. forestry truck and one from Los Angeles county combated the blaze with the aid of fire volunteers from San Antonio Heights who left their Christmas dinners to assist in the work.

Greek Reds Open Offensive

ATHENS (AP) — Guerrilla forces opened heavy attacks near the Albanian border today in what military experts said was an attempt to expand territorial holdings for the newly proclaimed communist state within northern Greece.

More than 500 persons have been arrested by Greek authorities in the Athens area since the proclamation of the state by Gen. Markos Vifiades, leader of the anti-government communist force in the northern fighting zones.

The guerrillas attacked 1,500 strong south of Ioannina and sliced Greek army supply lines to Epirus.

Two guerrilla brigades and two additional battalions launched a heavy attack yesterday at Konitsa, covering the assault with a heavy barrage of mortar and artillery firee. An army communique said they were held back with "very heavy losses".

Fires Claim Thirty Lives In Nation

By The Associated Press

Fires brought tragic endings to Christmas celebrations yesterday for the families of more than 30 persons who perished in flames over the nation.

The toll in Texas was the highest—11. Seven persons died ih a small hotel in Orange and four in a dance hall blaze in Fredericksburg. Ten Indians perished at a Christmas party in Gardnerville, Nev.

Sheriff James Faarell blamed a drunken Indian's ire over a scolding from his father for the Gardnerville tragedy.

Six patrons of the Orange, Tex., hotel jumped from windows to safety, while seven others perished. Nineteen persons were registered but only 13 were in the hotel when the fire started.

In Fredericksburg, Tex., fire swept a large, one story dance-hall minutes before a Christmas night ball was to start. Four persons lost their lives. Only 30 person of the 1,000 expected at the celebration were in the hall at the time.

An unemployed aircraft plant worker, Claude Axley, 32, was booked in Santa Monica, Calif., on suspicion of murder after his two young sons, Claude, Jr., eight, and Jimmy, three, burned to death in their home. Axley's wife, Mabel, 30, was burned seriously. Detective Lt. Charles Horn said Axley's wife told him her husband was drunk and quarreled with her earlier.

BULLETINS

PARIS, (AP)—A French military communique received today from Saigon announced 106 Viet-Nam partisans were killed in five different engagements in Indo-China. Viet-Nam attacks on French army convoys and French attacks on Nationalist river junks continued.

QUARRY HEIGHTS, Panama Canal Zone, (AP)—U. S. troops worked in shifts around the clock today to expedite their withdrawal from defense sites in Panama.

WASHINGTON, — (AP) — President Truman will act early next week, probably Monday, on the anti-inflation bill passed by the special session of Congress.

CIVIC GROUPS

Provide Merry Christmas for Those Less Fortunate in Chaffey District

Christmas was a memorable day for all Ontarians regardless of their financial status because of efforts of local residents to insure Christmas dinners and gifts for the less fortunate.

Under the leadership of the city's public health nursing staff, more than 50 Ontario families, for whom Christmas would have been just another bleak Thursday, were provided with the means for family dinners.

The nursing staff gathered together ingredients for 20 boxes which were distributed in advance of Christmas. The boxes contained groceries given by the Rotary club; toys, candy and meat from the Elks club; clothing and groceries which were the gift of the arbara Jane Sportswear factory, and contribution of the Monte Vista Thimble club, the Ramblers club and numerous church groups.

The Salvation Army adopted a policy of giving orders for meat and groceries to unfortunate families in lieu of boxes. More than 30 such orders were issued.

Children were not forgotten on the holiday with an abundance of toys distributed to make certain no child's stocking remained unfilled yesterday.

The "Toy and Joy" shop of the Salvation Army provided many a needy parent with gifts for their children. Time and again the stocks were depleted and refilled by donations.

The Optimist club collected broken and castoff toys which were repaired and repainted by the club's junior members under supervision of the senior club. Many new toys were also received by the Optimists for distribution. The Adams Hardware donated a large box of new playthings to the Optimists who spent Christmas Eve delivering the toys throughout the Ontario-Upland area.

TENT FAMILY IS HIT BY SNOW STORM

Mrs. Garfield Guyette, who with her four small children live in this tent at Rutland, Vt., due to a housing shortage, sweeps snow away from its entrance as most of New England is blanketed with up to 10 inches of snow. A local civic group is building a small home for the family which is expected to be ready for them in January. Two of the children are with her, left to right, Robert, 3, and Garth, 7.—AP WIREPHOTO.

BOOSTS CAMPAIGN

General Electric Gives $10,000 To Hospital

San Antonio Community hospital—its $150,000 building fund goal already more than half secured—was the recipient today of a $10,000 post-Christmas present.

W. H. Tangeman, Ontario works manager of the General Electric company, presented a check for that sum to hospital officials this morning.

At the same time, Dr. A. A. Aita, hospital administrator, announced a $5,000 donation to the fund by Charles Latimer, president of the hospital's board of trustees.

In presenting the contribution on behalf of his company, Mr. Tangeman told hospital representatives:

"It gives me great pleasure and satisfaction to present this check.

"It seems entirely fitting to me, and I know that the officials of the General Electric company concur in this belief, than an industry which is closely integrated with the economy of a community, as General Electric is in Ontario, should give every assistance possible in furthering the public welfare of its community.

"I hope this contribution may encourage others to give and to support your most worthy cause," he added.

The hospital's drive will probably be completed by St. Valentine's day, Feb. 14, Norman Law-

(Continued on Page Four)

Two Killed in Outside Areas

Although Upland and Ontario escaped traffic accidents yesterday, automobiles claimed the lives of two persons in surrounding areas, one the victim of a hit-and-run driver in Fontana and the other fatally injured in a two-car collision near Chino, during the holiday period.

John W. Maynard, 61-year-old Fontana resident was killed instantly at 11 o'clock Christmas Eve when he was hit by a car on Valley boulevard at Cherry street in Fontana.

Highway patrol investigators said Maynard was dragged some distance by the automobile whose driver did not stop.

A description of the car has been obtained and a counrty-wide search is underway for the driver.

Charles McClendon, 32, of Pomona, was killed instantly when his automobile collided with a milk truck on Carbon Canyon road south of Chino early yesterday morning.

A passenger in the car, Willie Jackson, Los Angeles, told police McClendon lost control of his car on a sharp curve and it traveled into the path of the truck, driven by Roy D. Glenn, 30, of Ontario.

Yesterday's traffic fatalities brought the number of persons killed in automobile accidents in San Bernardino county this year to 177.

Taxpayers Oppose School Annexation Plan

Opponents to the annexation of desert high school districts in the San Bernardino Valley were given strong support in their stand today by the San Bernardino County Taxpayers' association.

The communities concerned — Trona, Barstow, Union, Victory Valley and Needles—have indicated their opposition to the plan, with a newspaper, Trona Argonaut, taking a strong editorial stand against it.

The taxpayers' association, in its statement, called the annexation election which will be held on Tuesday, Dec. 30, "undemocratic" and stated that it would result in "taxation without representation". The entire procedure is "illegal" and "it is the right of any taxpayer to legally question the election", the group stated.

"The local survey committee consists of only nine men. The

Upland Rifle Club Receives Charter

Granting of a National Rifle Association charter to the Foothill Rifle and Pistol club of Upland has been announced by the association headquarters in Washington, D. C.

The group of rifle and pistol enthusiasts is headed by Richard Reeder, San Antonio Crescent East, Upland.

Other officers of the club are John Svenson, vice president; A. Bennett, executive officer and chief instructor, and Bill Rugg, secretary-treasurer.

FIRST CHRISTMAS BABY BORN TO ROBERT CLARKS

First baby born on Christmas day in this area was the infant son of the Robert Clarks, 304 East Grove street, Ontario. The welcome "Christmas gift" was born at 7:02 a.m.

Two other babies, both boys, were delivered at the San Antonio hospital on Dec. 25. They were the son of Mr. and Mrs. Thomas Ault, 521 South Lemon avenue, Ontario, and the son of Mr. and Mrs. Larry Page, Tehachapi.

No Accidents Reported Here Over Holiday

Ontario and Upland set a record over the Christmas holiday with not an automobile accident of any kind occurring from Christmas Eve until noon today.

Eugene L. Mueller, Upland police chief, and Herbert Swinney, Ontario chief of police, stated today that they "were pleased beyond words at the excellent cooperation shown by local drivers in avoiding accidents."

Chief Swinney declared that "drivers gave the community a real Christmas present by keeping the traffic slate clean," and hoped that "the same caution and consideration would be shown by drivers throughout the next week of danger, particularly on New Year's Eve and New Year's Day, the worst time of all for traffic mishaps."

Chief Mueller announced his gratitude for the cooperation of drivers and pedestrians in the Upland area and expressed his appreciation for the publicity on traffic safety given before the holiday in local newspapers. Mueller said, "In addition to careful law enforcement, the newspapers played a great part in reminding drivers of the danger period."

The Upland police chief joined Swinney in the hope that the record set yesterday can be maintained through the few remaining days of 1947.

Hall Family Plans Reunion

Members of the Herbert Hall family will hold a reunion Sunday at the Cal Aero home of Hall's daughter, Mrs. George W. Gearhart.

In attendance at the dinner will be: Mr. and Mrs. George W. Gearhart and sons, George, Jr., and Gilbert; Mr. and Mrs. Herbert Hall and son, Archie, of Alta Loma; Mr. and Mrs. Charles Hall and son, Larry, Chatsworth; Mrs. Sheldon V. Hall and daughter, Shiela, Upland; Mr. and Mrs. Robert Craig, Ontario and Mr. and Mrs. Harold C. Hall who have been attending Texas Christian University.

Mr. and Mrs. H. A. Crocker, 1659 West Foothill boulevard, Upland, entertained Christmas eve at their home. Guests: her mother, Mrs. S. C. Hamilton, the Crocker's two sons and their families, Mr. and Mrs. Clark Crocker, Don and Richard, and Mr. and Mrs. Robert Crocker and daughter, Joan, all of Ontario, and her borther and sister-in-law, Mr. and Mrs. H. L. Hamilton, Riverside, and Mrs. Harriet Sanderson, Upland.

Typhoon Hits Philippines, Death Toll 56

Worst Storm in 29 Years Lashes Islands; Manila Reported Hard Hit

MANILA, (AP)—A savage typhoon swept the Philippines today, leaving at least 56 persons dead or unaccounted for—46 of them from the Danish motorship Kina, which sank off Samar.

Five other ships were damaged, 70 per cent of the historic city of Tacloban was reported wiped out by storm-whipped fire, and portions of Manila were hard hit.

The latest official death toll in Manila and nearby Quezon City was five, and the Red Cross reported five persons missing in Laguna province.

Emergency

President Roxas declared an emergency holiday to permit all energies to be devoted to recovery as the storm—the worst December typhoon to hit the Philippines in 29 years—swept over the China Sea toward Hainan.

The typhoon stripped the last vestige of Christmas gaiety from the Philippines and left residents gasping from the shock of the islands' fifth and most violent storm in two months.

Officials of Pacific Overseas Airways at Ontario International airport contacted today, said that one of the airplanes had been in Manila until Wednesday receiving an engine replacement but had been flown back to Siam just before the typhoon struck.

The Danish motorship Kina, bound from Tokyo to Europe with a crew of 40 and 15 passengers, was reported a "total loss" in the Samar Sea.

The 9,823-ton vessel of the Danish East Asiatic lines was driven aground. Its loss was reported by the Norwegian motor vessel Samuel Bakke, which was grounded itself but managed to pull free.

The Bakke radioed that it had picked up five survivors, all from the Kina's crew. It added there

Anderson Calls On Commodity Marts To Release Names

WASHINGTON, AP—Secretary of Agriculture Anderson today called upon brokerage firms to supply him with names of any government employes or members of their immediate families, who, as customers, traded in futures commodities between Jan. 1, 1946, and Dec. 15, 1947.

The request was made in connection with the department's efforts to determine whether any "government insiders" have been speculating in grain and other commodities.

Prices Coming Down in '48 Say Economists

WASHINGTON (AP)—The next 12 months should bring record-breaking U. S. production and perhaps an ebb in the tide of rising prices, the government's top economist reported today.

"Given a fair crop year, there's a distinct possibility that 1948 will see an abatement of inflation," said Dr. Edwin G. Nourse, chairman of the President's council of economic advisers.

The three major influences on the economic pulse during the next year, Dr. Nourse told a reporter, probably can be listed in this order:

1. The weather. If wheat, corn and other crops escape the drought which hurt last fall's harvest, food costs could lead the way to more stable prices.

2. Labor relations. A "third round" of sizeable wage increases, or a new wave of strikes curtailing production, could heighten inflationary pressures.

3. Foreign aid. Depending on how much help is voted for European recovery, exports could make some existing shortages more critical. The council already has approved federal controls to keep the scarcity of certain products, including steel and grain, from setting off a further inflationary spin.

Congress thus far has authorized only voluntary agreements by business, agriculture and industry to divide scarce goods. This is a provision of the Republican anti-inflation bill which Mr. Truman is expecteed to sign shortly.

As for the No. 1 factor, weather, the agriculture department had good news last week. Its winter wheat forecast indicated another "bumper" wheat crop—more than a million bushels — may be harvested. . It would not exceed last year's, but if Europe has better weather the export demand will bbe lower.

BRIEF HEADLINES

The Christmas holiday ended in violent death for 289 persons in automibile crashes, fires and miscellaneous accidents.

NEW YORK (AP) — A swirling snow storm, intensifying as the day wore on, blanketed an area extending from southeastern New York to Washington, D. C., today with the year's deepest snowfall.

JERUSALEM (AP) — A Jewish agency official and 12 other Jews died today with one Arab and two British civilians in the Holy Land's sniping war.

NEW YORK (AP) — Some of America's best known musicians will spend the last day of 1947—next Wednesday—making records to get under the wire ahead of James C. Petrillo's Jan. 1 ban on recordings and transcriptions.

BELGRADE, Yugoslavia (AP)—A regional court at Susak yesterday sentenced three merchants to be shot for speculation.

LOS ANGELES (AP)—A string from a Christmas toy became entwined around the neck of a year-old baby as it slept in its crib yesterday and caused death by strangulation.

WESTOVER FIELD, Mass. (AP) —Heavy snow whipped by whistling winds today balked attempts to rescue nine Americaan airmen marooned in dreary ice-covered "Lake Astray" in the heart of Labrador's wildernes.

LOMITA (AP) — Mrs. Santos Robles, 114, died at the home of a granddaughter here yesterday. Her family said she was born in Sonora, Mexico, in 1833.

VAN NUYS (AP)—Some 1,000 war veteran patients at Birmingham hospital were given a show last night by Eddie Cantor as a climax to the comedian's fourth annual "give a gift to a Yank who gave" campaign.

LOS ANGELES (AP) — The Christmas holiday traffic toll in Los Angeles county was 12 deaths as compared with 22 last year, police reported.

SHANGHAI (AP)—Charles A. Lindbergh, touring the Orient on business for Pan-American World Airways, arrived today from Hong Kong.

CHURCHES ★★★ RELIGION ★★★ SERMONS

WEEKLY FEATURE WITH COMPLETE COVERAGE OF ALL RELIGIOUS NEWS IN THE ENTIRE WEST END

Chaplain (Major General) Luther D. Miller, Chief of Chaplains of the United States Army, presents a certificate of appreciation to the Rt. Rev. Oliver J. Hart, Bishop of Pennsylvania and Chairman of the Episcopal Church's Army and Navy Division. The award was for the Church's services in the procurement and indorsement of chaplains for service in the Army, and the various forms of aid and encouragement extended to them in the performance of their duties. Bishop Hart was a Chaplain in both world wars. General Miller has spent most of his ministry as a Chaplain in the Army.

VERSE FROM ISAIAH PROVIDES TOPIC FOR CHRISTIAN SCIENCE

"The glory of the Lord shall be revealed, and all flesh shall see it together: for the mouth of the Lord has spoken it." This verse from Isaiah will be the text of the Sunday lesson-sermon on 'Christian Science" in the Christian Science church, Ontario.

It is recorded in Luke's Gospel that as Jesus "entered into a certain village, there met him ten men that were lepers, which stood afar of: And they lifted their voices, and said, Jesus, Master, have mercy on us. And when he saw them, he said unto them, Go shew yourselves unto the priests. And it came to pass, that, as they went, they were cleansed. And one of them, when he saw that he was healed, turned back, and with a loud voice glorified God, And fell down on his face at his feet, giving him thanks."

New Year's Party Slated By Church Group

New Year's Eve watch party will be held Wednesday evening at the Bethany Union church, San Antonio Heights. A contributed dish supper will be served at 7 p.m. under the direction of the Ladies Aid.

Those attending are asked to bring a covered dish and sandwiches and coffee will be furnished by the ladies.

Following the supper the young people will have charge of singing and games. A New Year's message will be delivered between 11 and 12 o'clock.

"Abounding" Topic Of Address at Church of Christ

As one of the last sermons of the closing year, Lloyd E. Ellis, minister of the Upland Church of Christ, is to speak on the subject "Abounding", on Sunday morning.

His evening sermon is on the subject of "Conquerors of the Dizzy Heights."

"Fascination Of Unknown" Sermon Topic

"The Fascination of the Unknown" is the sermon topic announced by the Rev. Donald W. Head, minister of the Bethel Congregational church, for Sunday morning services at 11 o'clock.

The organ selections for the service are "God the Lord, Liveth," arranged from Gretchaninoff, and "Chanson" by Tschaikowski. The Bethel choir, under the direction of S. Earle Blakeslee, will sing "God Be Merciful to Me" by Wooler, and Bette Boggs, soloist, will be heard in 'Gloria" by Buzzi-Peccia.

Pomona Pastor To Address Heights Church

The Rev. C. D. Doebler of Pomona will bring the Sunday morning message at the Bethany Union church, Vista drive, San Antonio Heights. The morning service will start at 11 a.m.

The junior Christian Endeavor class, sponsored by Gwen Cline, will meet at 5 p.m., with the young people and adult Christian Endeavors meeting at 6.30 p.m.

The Rev. Mr. Doebler will again address the congregation during evening worship period at 7:30, this time on the topic "Steps For the New Year."

Glass cooking utensils should be thoroughly dry on the outside before they are placed on the stove. Even a few drops of water on the outside of a glass coffeemaker, for instance, may cause uneven heating and result in cracking or breaking.

CAROLYN SNYDER PLEDGES NUPTIAL VOWS IN HOLIDAY CEREMONY AT CLAREMONT

The Mabel Shaw Bridges Hall of Music at Pomona College, Claremont; furnished the setting for the formal Christmas rites held on December 21 uniting Miss Carolyn Louise Snyder, daughter of Mr. and Mrs. Olof E. Snyder, 234 East H street, Ontario, and Arthur John Langdon, son of Mr. and Mrs. Herbert G. Langdon of Puente.

The double-ring rites were performed by the Rev. John Barron Toomey, pastor of the Claremont Community church, in the presence of 170 guests. The bride was escorted down the aisle by father, and chose a lovely white brocaded taffeta gown fashioned with an off-the-shoulder neckline, with net yoke, long sleeves, and short train. Her fingertip veil was held in place with a shirred crown and band of hyacinth and orange blossoms. She wore a pearl necklace and pearl earrings. She carried a bouquet of white roses, bouvardia and white sweet peas, centered with a green orchid corsage.

Serving as maid of honor was Miss Joyce Snyder, sister of the bride. She wore a red taffeta gown, similar to the bride's gown, with red mitts and she carried a bouquet of white poinsettias. She also wore a heart-shaped hat of red net and taffeta ribbon.

Bridesmaids were Mrs. Harold Ford of San Gabriel and Miss Phyllis Austin of Ontario. Both wore identical chartreuse taffeta gowns with matching mitts and heart-shaped hats of chartreuse net and taffeta ribbon. They carried red poinsettia bouquets.

Marsden Price of Claremont served the groom as best man, while ushers were Arthur Lindenmeyer of Trona and Ray Martin of Puente.

Mrs. Arleigh McConnell served as soloist, while Shirley Snyder presided at the organ. The traditional wedding marches were played while Mrs. McConnell offered "Ave Maria" and "I Love You Truly".

Following the ceremony the reception was held in Rembrandt hall at the college. Decorations consisted of Christmas boughs and poinsettias. A five-tiered wedding cake was the center of attraction on the serving table.

The bride's mother greeted the guests in a fuschia floor length gown with matching flower hat, while the groom's mother chose a dark wine floor length gown with matching hat. Both wore white carnation corsages.

Assisting at the reception were Mrs. Walter Graf, Miss Ruth Peyton, Mrs. Sherrod Swift, Miss Joyce Ryder, Miss Laura Hurlbut and Miss Marilyn Hurlbut. Misses Laura and Marilyn Hurlbut had charge of the guest book.

The new Mrs. Langdon is a teacher at the Trona junior-senior high school. She was graduated from Chaffey high school and from the University of California.

Mr. Langdon is also a teacher at the Trona high school and he was graduated from Chaffey college and Pomona college.

At present they are enjoying skiing at Big Bear and will be at home to their friends in Trona after January 1.

Holds Reunion

Mr. and Mrs. Glen Byer of Reserve, Kansas, and their four children, Joan Dale, Elaine and Shirley, are visiting friends and relatives in the Upland area.

On Wednesday the Byer family attended a family reunion at the homme of Mr. Byer's mother, Mrs. Mary Byer, 481 North Second avenue, Upland.

Also present at the pre-Christmas reunion dinner were Mrs. Mary Byer's other three children: Mr. and Mrs. Wendell Byer, Hamlin, Kansas; Carol Byer, who is taking nurse's training at Huntington Memorial hospital in Pasadena, and Mrs. Lois Martin, Los Angeles.

Mr. and Mrs. Glen Byer and family were guests at Christmas dinner of Mrs. Byer's parents, Mr. and Mrs. H. E. Cassel, 781 North Third avenue, Upland. Also present at the dinner was Miss Alma Cassel, dean of Beulah college.

PATIENTS

At San Antonio Community hospital:

Walter Daniels, 175 East A street, Ontario, has been dismissed following medical attention.

Miss Alta Bray, 428 East C street, Ontario, entered for major surgery.

Donald Humphrey, 15, son of G. H. Humphrey, 425 West street, Upland, has been released following major surgery.

Lois Hernandez, 17, daughter of Louis Hernandez, Chino, has returned home following observation.

Richard Eldredge, 10, son of Mr. and Mrs. Barbara Eldredge, 214 South Sultana avenue, Ontario, was readmitted Christmas day for treatment of injuries suffered when he was struck by a car.

About People

IN UPLAND

Mr. and Mrs. Daniel Jeran and family, 1006 East Arrow highway, entertained on Christmas day with a turkey dinner. Those enjoying the day fere Mr. and Mrs. Joe Horvath and two daughters, Judy and Eidth, of Fontana, and Mr. and Mrs. Harvey Gruber of Los Angeles.

Miss Hazel Winkle, 605 North First avenue, Miss Lena Statler, 428½ North First avenue, and Vernon Ringenberg of Galanagan, Ill., house guest of Miss Statler, and Bobby Addler,, Jr., of Laurel avenue, spent Christmas day at Catalina Island. They report a perfect trip with warm weather and calm water.

Mrs. A. W. Galentine and her son, Dexter Galentine, 520 North Laurel avenue, Upland, were guests at a family dinner yesterday at the home of Mrs. Galentine's son-in-law and daughter, Mr. and Mrs. Eugene E. Bean, Jr., in Pasadena. On Christmas eve they were among 23 relatives and friends who enjoyed a turkey dinner at the San Gabriel Country club, going afterwards to the home of Mr. and Mrs. Eugene E. Bean, Sr., in Alhambra for a Christmas party.

Mr. and Mrs. Everett Robinson Twentieth and Benson avenue, Upland, have as their holiday guest Mrs. Robinson's sister, Miss Phyllis Richmond, of San Bernardino. On Christmas day the Robinsons and their two children, Janet and Edward and Miss Richmond visited Southgate with Mr. and Mrs. W. O. Hansen.

Mr. and Mrs. A. P. Gillespie of 227 South Sultana avenue, are enjoying a visit with friends in Phoenix, Arizona.

Mr. and Mrs. J. W. McConkay, 679 Second avenue, Upland, spent Christmas day with Mr .and Mrs. J. D. Ligier of Glendale.

Mr. and Mrs. P. S. Connell have bought the house at 567 Olive street, and have as their holiday guests Mr. and Mrs. Thomas Boyd and three children from Dearborn, Michigan, and Mrs. Walter Menton and son, of Long Beach.

Mr. and Mrs. Robert Schmidt, 263 South Sultana avenue, are enjoying their new baby daughter who is now home. The new arrival has been named Mary Beth. She was born at the Pomona Valley Community hospital on December 8 and weighed eight pounds.

Mr. and Mrs. J. A. Wessely, 260 South Sultana avenue, are moving into their new home with their ten months-old daughter. Mr. Wessely is a member of the Upland police force. They spent Christmas day with Mrs. Wessely's father and mother, Mr. and Mrs. W. E. Williams, of Pomona.

Mr. and Mrs. J. W. Brubaker are here from Rochester, Indiana, to spend the winter months with his brother and sister-in-law, Mr. and Mrs. O. J. Brubaker, of 272 South Third avenue.

Mrs. Fred Phillips, 667 North First avenue, returned home December 24, with her baby daughter, born at Memorial Community hospital.

IN ONTARIO

Miss Marilyn Dunlop, daughter of Mr. and Mrs. Reg Dunlop, 218 East J street, is home for the holidays from Colorado college, Colorado Springs, where she is a social service major.

Harlow Smith, son of Mr. and Mrs. Harry H. Smith, 936 North Laurel avenue, is spending the holidays visiting in Ontario. He is a senior majoring in journalism at the University of Southern California.

Club Notices

REBEKAHS

Members of the Silver Link Rebekah lodge will meet this evening at 8 o'clock at the Upland Odd Fellows halll.

Reveal Betrothal Of Dorothy Hoppe At Family Party

A Christmas eve family party celebrated at the home of Mr. and Mrs. L. W. Hoppe, 753 East E street, Ontario, provided the setting for the announcement of the engagement of their daughter, Dorothy, to Duane R. Gifford, of Berkeley.

In keeping with the holiday season, the house was decorated with red berries and candles and a traditional Christmas tree. Colorful refreshments of a true holiday spirit were served.

Those invited to attend were Mr. and Mrs. Sam Lowry, Mr. and Mrs. T. J. Lowry and son, Jay, and Mr. and Mrs. Herman Simpson, all of Claremont, and Mr. and Mrs. David Cooley and Mr. and Mrs. Donald Hoppe, all of Ontario.

Miss Hoppe, a graduate of Chaffey high school and college, received her B. A. degree at the University of California at Berkeley in June. She attended summer schoool at the Dickenson-Warren school in Berkeley, taking a course in medical and surgical dictation. She now has a position as medical secretary for Dr. Christopher Leggo, medical director of a sugar refining corporation, in San Francisco.

Mr. Gifford will receive his degree in June in the department of mechanical engineeering at the University of California, where he is affiliated with Sigma Phi Epsilon. He attended schools in Oregon and was a student at Oregon State university and U. C. L. A. prior to the war. During his three years in the service he served as first lieutenant in the air corps.

* * *

Mrs. Paine Elected New Group Leader

Mrs. G. L. Paine, 635 East D street, Ontario, has been elected as the new president of the Sons of Union Veterans Auxiliary following a meeting of the group held at Memorial hall last week.

Mrs. Elizabeth Taylor, president, conducted the business meeting and others named to serve with Mrs. Paine were Mrs. Deloss Williams, vice-president; Mrs. Elizabeth Taylor, Mrs. L. L. Sturges and Mrs. J. W. McConkay, trustees; Miss Martha Cease, treasurer; Mrs. T. A. Evans, patriotic instructor; Mrs. Marian Tracy, chaplain; Mrs. R. Emerson Gilliland, guide; Mrs. Florence Stamm, assistant guide; Mrs. David Allen, inside guard; Mrs. J. L. Bradburn, outside guard; Mrs. Elizabeth Taylor, press correspondent; Mrs. Lyman P. George, secretary; Mrs. G. L. Paine, counselor; and Mrs. Leslie Strawn, color guard number one, and Mrs. A. F. Van Wyne, color guard number two.

The newly elected officers will be installed on January 13, in joint ceremonies with members of the post. The installation will be held at Memorial hall.

Sauerkraut is good the year round. It may be featured in various ways—chilled in salads, or served hot with fish or meat dishes. This good, wholesome food, which takes little or no time to prepare, is flavorful enough to use as a relish or a vegetable.

Quick-Frozen Fish for Meatless Menus

ONE good way to make your meatless meals interesting is to specialize in really good fish menus. This is really no problem for you can rely on quick-frozen fish, no matter how far you live from the fishing banks, for ocean fresh flavor and highest quality. Such delicacies as quick-frozen red perch and quick-frozen cod fillets come to you all cleaned, boned and ready to cook. All their tangy surfline goodness is sealed in within four hours of the time the fish are landed at the docks.

The fresh, delicious flavor of quick-frozen vegetables adds interest to fish dinners. Such treats as quick-frozen golden sweet corn, succulent spinach, mixed vegetables and soybean succotash add their own midsummer delicious to the menu.

Cod Baked with Tomato Sauce

2 packages quick-frozen fillet of cod
2 tablespoons chopped onion
2 tablespoons finely diced celery
2 tablespoons shredded green pepper
4 tablespoons butter or other fat
1 tablespoon flour
1½ cups canned tomatoes
½ teaspoon salt
Dash of pepper
½ teaspoon sugar
½ bay leaf
1 tablespoon chopped parsley

Cut fillets (frozen or thawed) into servings and place in buttered shallow baking dish. Sauté onion, celery, and green pepper in butter until tender; add flour and mix well. Add remaining ingredients and cook slowly 10 to 15 minutes, stirring occasionally. Pour over fish and bake in hot oven (450°F.) 25 to 30 minutes, or until fish is tender. Makes 4 to 6 servings.

Births

Battle for Europe Is Still Undecided

Little more than three years since the military battle for Europe was joined by invasion of the Continent, a new D-Day has arrived. This one is political and economic. Recent events have cast the die of all-out struggle between the East and the West to determine whether Communism or free governments shall prevail.

The events form a clear pattern: in London, the conference of Foreign Ministers broke up after Russia's Molotov rejected proposals of the United States, Britain and France for a German and Austrian settlement; in Moscow, the Kremlin girded Russian economy for the struggle by revaluating the ruble; in Washington, President Truman signed the interim aid plan for Europe—forerunner of the long-term Marshall plan; in Paris, the negative French position toward consolidation of her German occupation zone with the American and British zone appeared to be headed for complete revision.

What is the portent of these developments for the future? No oracle can state with finality exactly what the consequences will be, but this much appears certain:

The hands of the Allies are now freed in Western Germany, and plans for unification of that territory to bring its tremendous industrial potential into the fight to restore the economy of European Nations can now be pressed. The Marshall Plan, cashing in on this potential, should have a better chance to succeed. That success could persuade the Russians to cooperate—especially if her satellites compare their status with that of countries receiving American aid, and stir under the Russian yoke.

The danger lies in the possibility that the Marshall Plan's success might have the opposite effect on Russia, causing her to resort to desperate measures should the economic war turn in favor of the West. It is a calculated risk—an inescapable one for the democracies. Russia's plans in Europe leave them no alternative. The battle for Europe is on.

—o-:-:-o—

We Hope '48 Will Be Greater and Brighter

We don't imagine there will be too many sighs of regret at the passing of 1947. It was a year of accomplishment, but its trials and tribulations were formidable, too, and many will carry over into the New Year. What of 1948?

Economists predict that agriculture and industry will reach the highest production goals in the history of America. That means full employment, and it should also mean lower prices as shelves fill with goods that plentiful dollars now pursue in vain.

Religious leaders predict a re-awakening to the spiritual values in daily living, and a re-birth of feeling for the Golden Rule. That could mean better understanding among nations as well as individuals, and peaceful settlement of disputes that now darken international horizons.

Political observers predict revitalized public interest in the way government is run, and in the caliber of the men who seek to run it. That means more ballots, and a stronger democracy.

We can't qualify as experts in the field of prognostication, but we humbly predict that the old car won't hold together much longer, that the Mrs. will want a fur coat next winter, that Junior will ask for an increase in his weekly allowance, and that unless we get more newsprint you won't get more news.

And, just to be different, we won't offer a resolution for the New Year. That's really something you should do for yourself, anyway. But we can—and most sincerely do—wish all our readers the happiest and most prosperous of New Years. Farewell, '47; enter, '48!

Mackenzie's Column

By DeWitt Mackenzie

AP Foreign Affairs Analyst

It is a most unfortunate circumstance—even potentially dangerous—which has impelled the Republic of Panama to refuse the further lease of military bases to Uncle Sam for defense of the vast canal which represents one of the most important strategic zones of the entire Western hemisphere.

Panama ranks as one of the little nations of the world in size (estimated population some 650,000 and area only 33,667 square miles), but in importance it's a mighty atom. For the giant canal linking the Pacific and Atlantic cuts through the heart of the republic which stretches along the isthmus between North and South America, and while the USA owns the ten-mile-wide canal zone, it is heavily dependent on the government of Panama for bases from which to protect the waterway.

So it was a shock when the Panama national assembly unanimously refused to ratify an already signed agreement between Washington and Panama, renewing the leases on fourteen military bases. Especially serious is the loss of the Rio Hato air base, which is the only one from which the huge B-29 bombers can operate.

Why did Panama take such drastic action? Well, there are quite a number of angles to it, but one administration official in Washington attributed the move to a "wave of hysteria", saying that it was popular in some Latin American countries to oppose the United States as "the colossus of the north". He added that some communist influence also had been brought to bear, but that it wasn't a communist maneuver as such.

Contrary to general expectations the United States took Panama at its word and promptly began withdrawing some 2,000 troops from the fourteen bases, thus transferring the defense to the narrow and inadequate canal zone. Moreover, Washington legislators started talking about building a new canal. Suggested sites include Nicaragua, Colombia and the Isthmus of Teehuantepec in Mexico. Senator Knowland, California Republican, stated that he would introduce legislation in Congress for a sea-level canal.

The Panama canal was first projected more than 400 years ago by Balboa and other Spanish explorers actually made surveys between 1515 and 1525 across the isthmus. The initial attempt to dig a canal was undertaken by a French company in 1878. This failed and the United States acquired the rights of the company during the presidency of Theodore Roosevelt in 1904.

It is interesting to note that Panama got independence from Colombia by seceding on November 3, 1903, and was recognized as a free republic by the United States on November 13. Critics of the Washington administration accused it of having advance knowledge of the Panama coup and charged it with hurriedness in recognizing Panama's sovereignty.

While Panama derives much monetary profit from Washington in connection with operation of the canal, many citizens of the republic have been unhappy over their country being split in two by the waterway. Some also have regarded mighty America gloomily as a sort of overlord.

However, many close observers believe that Panama may see fit to reconsider its rejection of the leases, and that the matter may be satisfactorily adjusted. Unless that does happen, it certainly will be a drab day for Pan-American solidarity and defense.

Death Takes Mrs. Flavelle

Funeral services were held this afternoon for Mrs. Mary Jane Flavelle, 85, widow of J. Wesley Flavell, assemblyman from this district in 1910.

Mrs. Flavelle, ill for three months, passed away at her home, 216 North Vine avenue, Ontario, Tuesday at the age of 85. She had made her home in Ontario and in California for 55 years and was a native of Lancaster, Penn.

Surviving are two nieces, Mrs. Lulu Williams, 216 North Vine street, Ontario, and Mrs. James A. Smith, Woodriver, Ill.; and four nephews, B. M. Harrod and Leslie Harrod, both of Woodriver, Ill., Harry Harrod, Portland, Ore., and Tiry Harrod, Aruba, Netherlands, West Indies.

The Rev. C. C. Cantwell of the Ontario Seventh Day Adventist church, of which she was a member, officiated at the rites in the J. B. Draper company chapel. Interment followed in Bellevue cemetery, Ontario.

DEATHS

MRS. MARION BOLOGNA

Mrs. Marion Bologna, 30, Guasti, passed away Dec. 25 at the San Antonio Community hospital, following a two weeks' illness.

A native of Hillcrest, Alberta, Canada, Mrs. Bologna had lived in Guasti for two years, coming here from Detroit, Mich. She is survived by her husband, Concezio Bologna, two sons, James, seven, and David, five; and two sisters and one brother.

Final rites are pending, and J. B. Draper company is in charge of arrangements.

MISS MENIA PYE

Miss Menia S. Pye, 84, passed away at her home, 524 Rosewood court, Ontario, at 5 p.m. Christmas day.

A native of Canada, she had resided in Ontario and in the state for 25 years. She was a member of the Ontario Episcopal church, and is survived by two sisters, Miss Martha V. Pye, Ontario, and Mrs. Lila J. Leslie, Shatford, Ontario, Canada.

Requiem mass will be said at the Christ Episcopal church, Ontario, tomorrow morning at 8 o'clock, with funeral services to follow in the Richardson chapel at 10 a.m. The Rev. John M. York will officiate, and commital services will follow ta Bellevue cemetery, Ontario.

In television, each individual picture is drawn by light in about one-thirteenth of a second.

DOGGONE HOT IN HERE

LOS ANGELES (AP)—Getting boiled for the sake of science, with after-effects reminiscent of an old-fashioned hangover, was described today by researchers who remained as long as 14¼ minutes in a temperature of 250 degrees fahrenheit—38 degrees above the boiling point of water.

Experiments conducted by Dr. Craig Taylor, associate professor of engineering at the University of California at Los Angeles are part of a series designed to determine human heat tolerance. Taylor himself is frequently a subject.

In many respects, Taylor disclosed, the effects of extreme heat are similar to extreme cold. Faces of the researchers turn red, their pulse beat in most cases is doubled, and just before being removed from the heat chamber they report sensations of suffocation, dizziness, impairment of sight and hearing, and sometimes nausea.

Taylor said the practical value of the tests, sponsored by the U. S. air force, lies in planning for supersonic speeds of the future. Jet planes, for instance, scoop up air, which, at 600 miles an hour, boosts temperatures inside the plane approximately 60 degrees higher than that of outside air. At 800 miles an hour, it is calculated, the temperature will rise an extra 125 degrees, and at 1600 miles an hour an extra 160 degrees.

MARKETS

NEW YORK, (AP): Stocks, lower; light selling handicaps leaders. Bonds, easy; rails drift lower. Cotton, easier; commission house liquidation.

Poultry and butter unchanged.

The drainage area of New Orleans lies below sea level and below the level of the Mississippi River.

Ontario Councilmen To Meet Today

To approve a returned securities bond for the city treasurer, and to consider additional insurance coverage for city owned building and property, the Ontario city council is slated to convene in two adjourned meetings today and Monday.

This afternoon, councilmen will gather at city hall to approve the bond, which safeguards city-owned securities when absent from the vaults.

The problem of increasing city insurance coverage, is to be taken up Monday.

BRIEF HEADLINES

MIAMI, Fla. (AP)—A Florida east coast passenger train enroute from Miami to Jacksonville, ripped into a freight train here early today, injuring five members of the crew. Fourteen railroad cars were demolished or badly damaged.

HONG KONG (AP)—Thirty to 40 persons were reported missing today after a Christmas night fire which gutted four crowded Chinese tenement houses on Hollywood street.

ORANGE, Tex. (AP) — Seven persons perished in the flame-swept halls and rooms of a small hotel here last midnight while six other guests jumped from windows to safety.

GEN. CLARK

Lists Reassignment of Upland, Ontario National Guard Officers

Reassignment of San Bernardino county reserve officers, including some 25 from the Ontario-Upland area, has been announced by Gen. Mark Clark, commanding general of the Sixth army, with headquarters at the Presidio, San Francisco.

All officers have been reassigned to the 672nd organized reservice composite group, which has headquarters in San Bernardino.

Uplanders included are: Captain William R. Walton and First Lt. Claude W. Blain. Major Harold L. Nelson, Camp Baldy, is also on the list.

Ontarians involved are the following:

Col. Carter O. Garver, Lt. Col. Richard N. Merrill, Major Wayne P. Lill. Capt. William S. Adams, Capt. William W. Bertram, Capt. Joel E. Bowman, Capt. Robert W. Duff, Capt. Henry J. Gablemann, Capt. Frank L. Hammond, Capt. Emery F. Johnson, Jr., Capt. William J. Kelber, Capt. Jack T. Monroe, Capt. Raymond C. Sutherland, Jr., Capt. William G. Tower, Capt. Phillip K. Winslow, First Lt. Francis K. Millholen, First Lt. Ven Dean L. Musser, First Lt. Norman F. O'Shea, First Lt. John W. Plasman, Second Lt. Cecil Ladner and Second Lt. William E. Preece.

Hospital Drive Given $10,000

(Continued from Page 1)

son, hospital building drive chairman, declared.

The $150,000 fund is to be used to build a new wing at the hospital, thereby greatly enlarging facilities for the heart and cancer clinic and enabling the hospital to render greater service to charity and part-pay cases, he added.

Council To Meet Friday Instead

Due to the New Years' holiday next Thursday, the Upland city council will hold its regular meeting Friday night, Jan. 2, 1948. The councilmen usually meet the first and third Thursdays every month.

LEGAL ADVERTISEMENT

NO. 18680

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE

In the Superior Court of the State of California in and for the County of San Bernardino.

In the Matter of the Estate of CLARA B. PALMER, Deceased

NOTICE IS HEREBY given that the undersigned, as Executors of the Estate of Clara B. Palmer, Deceased, will sell at private sale to the highest and best bidder, upon the terms and conditions hereinafter mentioned and subject to confirmation by said Superior Court, on January 2, 1948, at the hour of 10:00 o'clock A. M., or thereafter within the time allowed by law, at the office of Edward E. Gray, 378 Second Avenue, Upland, California, all right, title, interest and estate of said Clara B. Palmer, Deceased, at the time of her death, and all right, title and interest that said estate has acquired, by operation of law or otherwise, other than or in addition to that of said decedent at the time of her death in and to the real property described as follows:

Lot 18 and the North 12 feet of Lot 19, Block 35, of Magnolia, in the City of Upland, County of San Bernardino, State of California, as per Plat recorded in Book 9 of Maps, Page 15, Records of said County.

Situate at 376 No. Euclid Avenue, Upland.

Bids or offers are invited for said property and must be in writing and will be received at the office of Edward E. Gray, Attorney for said Executors, or may be filed with the Clerk of said Superior Court, or delivered to the said Executors personally, at any time after first publication of this notice and before making said sale.

Terms and conditions of sale: Cash, in lawful money of the United States. At least ten percent of bid to be paid at time of sale, balance on confirmation of the sale by the court. Taxes pro rated. Title Guaranty furnished.

Dated: December 17, 1947.

DONOVAN E. PALMER and DEAN F. PALMER, Executors of the Estate of Clara B. Palmer, Deceased.

First Publication: December 17, 1947.

EDWARD E GRAY,
378 Second Avenue,
Upland, California.

'Pee Wee' Football for Little Fellows Paying Off Big in Bremerton Schools

AP Newsfeatures

BREMERTON, Wash. — Taking advantage of the fact that tough, little guys often grow up to be big, tough guys, this navy yard city is encouraging the process with a football league for boys who are less than 12 years old and 100 pounds large.

They call it the "Pee-Wee" program, and it's paying off. Bremerton high school came up this year with one of the best teams in its history, winning 10 straight games against the toughest competition it could find in and out of the cross-state league.

A team has eight players.

High School Coach Dwight Schayer and the school athletic director, Larry Ramm, launched the Pee-Wee project back in 1941.

This year there were six teams in the league, all fully equipped and all playing tackle football. They play on a vest-pocket field, 80 yards long, equipped with lights for night games.

Right up-to-date, the little fellows operate from the tricky T formation.

Rough as it is, the game has brought only one Pee-Wee casualty—a broken finger—in all the years of league play.

Sport-O-Graphs

BY DON BENSON

In looking back over the last year of Chaffey jaysee athletic endeavors, it is easy to see that this will, with-out any doubt be the greatest year in the history of the school. Starting back to the football season of 1946 and continuing through the year that has just passed into history, the rise to the front has been nothing short of sensational.

The peak was surely reached December 13th, when our team won the national championship for the jaysee's in their tussle with the Cameron Aggies of Oklahoma.

Another "first," as far as Chaffey is concerned, was the selection by the Helm's atheletic foundation, of "Amblin" Ance McCullough, as the athlete of the month. To us and many other red-hot sport loving fiends, this was the highest tribute ever paid to an athlete from Chaffey college.

It not only made up for the oversight in picking Frank Munoz of Fullerton as the year's outstanding player, but it gave Chaffey, the team, coach Ray Rosso, and Anse, the credit that we think was richly deserved.

Don't think lightly of the honors won by the Panthers this last year, cause we'll bet that there will be several cold spells before they have such a team and record as last year.

One thing that will no doubt help replenish the departed ranks will be the fact that Chaffey won the national championship last year, will no doubt help any 'outside" prospect's make up their minds to get their higher learning from the greensward of Chaffey college. Another thing that will help Rosso's worry come next September, will be the guys from last years high school squad, such as "our boy," Bernard Hoyos and Cookie Orsburn. As Bob Sachs said; it's too bad that Chaffey college isn't a four year school! I'll bet Rosso thinks so too, as do all the rabid fans that followed Chaffey all season.

While other player's will come along in the future and will no doubt be equally good, it's a good bet that as long as there is a Chaffey, the 194; team will never be forgotten and that their Rose Bowl trophy will always be shined!!

Coach Harvey Shirk's Panthers winning the Chaffey invitational tournament was a nice break for several reasons. (1) It gave due credit to a swell guy; coach Shirk; (2) It showed the local casaba followers that Chaffey will have a real candidate in the tough Orange Empire Conference; (3) and it gave the players a needed boost mentally—that they can hold their own with the best of 'em!! Last year, there were times when the team played AS A TEAM AND LOOKED GOOD. Other times, it appeared as if they had five different ideas as to what they were going to do.

Maybe it's a carry-over spirit from their football activities, but they certainly look much better than last year, and let's hope they keep looking the same way all season long.

Chet Nicholson, rough-house forward, is a long way from being the smoothest player on the team, but we get more fun out of watching him gallop around the court than anyone else. His fullsteam ahead charges certainly aren't the smartest kind of playing, but strictly from the spectators viewpoint, it is exciting to watch. Actually, we think Nick is rougher on the court than in football.

Bill Dingle is without doubt, one of the deadliest shot's in the conference when "hot," besides being a smooth ball handler, and crackerjack dribbler. Roy Morrison, the West Virginian flash, is a real standout at his forward spot, specializing in his fancy-Dan overhead shots and his ability at tossing 'em in from the most awkward positions in close to the basket.

At the guard spots, Shirk is blessed with three top-notch guards in the personages of Don McCullough, Kenny Parkin and Vince Melendrez. Boh Don and Kenny cavorted last year for the Panthers, while this is Vince's first year. Vince played almost the entire Modesto game, as Kenny was down with the flu and not up to his usual efforts. Parkin played the best game that we've ever seen him play, against East L. A. J. C., to help the Panthers gain the finals of the tournament. Don McCullough was red hot in his playing both Friday and Saturday night's play, tossing in 11 big points against the tall Modesto team. Don's most important contribution to the team, as

(Continued on Page Six)

Heavy Workouts Start for East-West Gridders

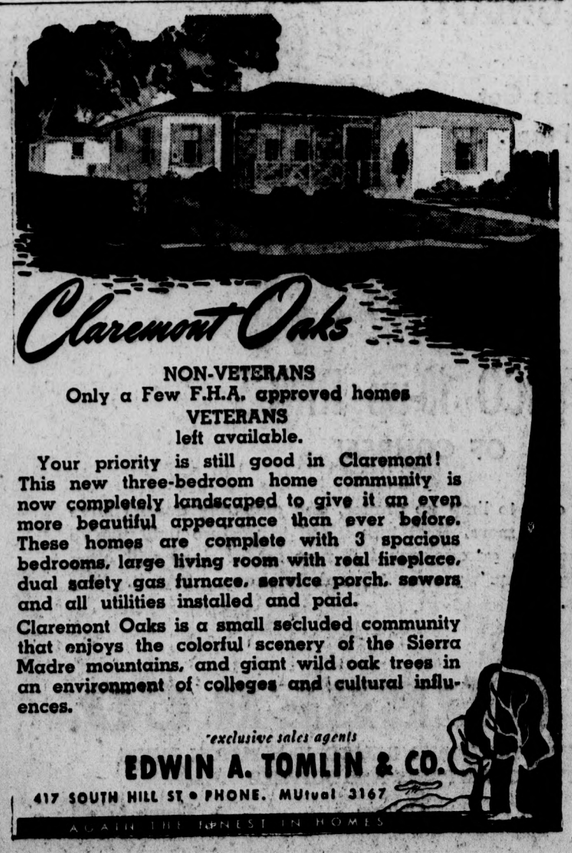

SAN FRANCISCO (AP) — Coaches of the East and West football teams for the Jan. 1 Shrine charity game turned tough today and ordered the first bruising scrimmages since the squads were assembled.

At Santa Clara university volunteer gridmen from the university battled against the East team coached by Bernie Bierman, Andy Kerr and Howard Odell.

"The soft part of the work is over," said Bierman.

Plenty of aerial work was scheduled for the West, which on Christmas day had a 2½-hour workout.

West head coach Don Faurot praised St. Mary's versatile Herman Wedemeyer, Virgil Eikenberg of Rice and Cal Rossi of UCLA.

TROUBLE AHEAD FOR TROJANS

Tackle Al Wistert, Capt. Bruce Hilkene, and End Leonard Ford (l-r) of Michigan discuss at Pasadena, Calif., some newly-plotted strategy to be applied to Southern California when the Wolverines and the Trojans clash in the Rose Bowl New Year's Day.:AP WIREPHOTO.

Long Awaited Kramer-Riggs Battle Set

NEW YORK (AP)—Jack Kramer begins cashing in on the glory he won while collecting all the major tennis titles of the world when he makes his professional debut at Madison Square Garden tonight against Bobby Riggs, king of the pros the past two years.

The match destined to answer the long-standing question of whether the world's best amateur can whip the best of the professionals, launches a nation-wide tour.

Two other players of international reputation — Australian champion Dinny Pails and Francisco (Pancho) Segura, and Ecuadorian who has done most of his playing in the United States—also will be introduced to the professional game tonight.

Pails and Segura will match strokes in the opening singles bout at 5:15 (PST). A doubles contest winding up the evening will send Kramer and Pails against Segura and Riggs.

But it's the Kramer-Riggs struggle that promises to get the tour off to a healthy start by attracting a sellout crowd of some 18,000 at prices from $4 to $7. Kramer has been guaranteed a minimum of $50,000 for the tour.

He could have turned pro at an attractive figure a year ago. Instead, he elected to hang on to his amateur status for one more season and he made 1937 his best year.

Tonight's test pits Kramer's "big game"—the most devastating attack in tennis today — against the expert retrieving of Riggs, the game's outstanding defensive genius.

Both Kramer and Riggs have predicted victory in their initial encounter, which will be decided on the best three of five sets. The remainder of their 65 or more matches on the tour will be two sets out of three.

BOWL GAMES EXPECTED TO GROSS ABOVE $2,000,000

By WILL GRIMSLEY

NEW YORK (AP)—The football bowls have grown into an expansive $2,000,000 business, but the older, established events still carry the big part of the load.

An Associated Press survey shows that sponsors of the 16 remaining post-season gridiron parties are looking for a total turnout of around 534,000 customers who will toss approximately $2,097,000 into the tills.

But more than half the fans—329,200—are expected to attend the Big Five of New Year's Day extravaganzas—the Rose, Sugar, Orange and Cotton bowls and the East-West Shrine game. These attractions, too, are slated to get about two-thirds of the cash.

The Rose Bowl at Pasadena—daddy of them all—is assured a capacity of 93,000 fans, who will work over something like $400,000.

The Sugar Bowl at New Orleans has its 72,000 seating places already asked for, portending a gate of $360,000. The Orange Bowl at Miami expects 58,700 to pay $300,000, while the Cotton Bowl at Dallas has its budget figured on $205,000, representing an attendance of 45,500.

Upland Merchants To Receive Awards Sunday

The Upland Merchants, who slugged their way to the pennant last summer in the American Junior baseball league of San Bernardino, will be suitably—if belatedly—rewarded Sunday.

In a ceremony preceding the Ontario Pirates-Peterson's Scoremasters struggle at Galvin park, gold baseballs will be handed out to Manager Kenny Smith, coaches Bob Sachs and Keith Smith, and twelve players.

Athletes receiving the engraved spheroids are Eddie Aitken, Dennis Luby, B. L. Wolfe, Leroy Graham, Pete Smith, Johnny Masters, B. H. Wolfe, Don Wagner, Bill Marks, Van Huppert, Bill Gear and Darrell Glenn.

A representative of the league —president, Joe McClelland is available—will make the presentations.

The ball game which follows shapes up as something of a crucial struggle in Southland winter league circles. Both teams have been beaten but twice during the campaign.

The Bucs will be in quest of their sixth consecutive victory, with Kenneth (Shutout) Smith slated to take the mound and Ed Conforti behind the plate.

Danny Reagan, deposed pilot of the Ontario Orioles, now manager of the Santa Rosa entry in the newly-formed Far Western league is expected to be on hand for the ballgame.

Cagers Resume Practice Monday

Winners of their own invitational tournament, the Chaffey Panthers will hold practice next Monday and Tuesday nights in preparation for games against the San Diego Frosh, Jan. 2 and Pasadena Muir Tech, Jan. 3.

Coach Harvey Shirk today reminded team members that practice will get underway both nights at 7 o'clock. It will be held in the girl's gym since the regular game floor is being refinished over the holidays.

While the Panthers don't open their Orange Emiper conference schedule until Jan. 16, against San Bernardino, they will journey to Modesto to take part in another tournament on Jan. 8, 9, 10. Chaffey defeated Modesto here in the semi-finals and if Shirk's "Sharpshooters" can win their opener they will be facing the host team again.

Shirk has indicated that the Panthers have come along better this year than last and is hopeful that they will give a good account of themselves at Modesta.

L.A. Cage Tourney

LOS ANGELES (AP) — Eight teams, most of them featuring tall players, clash tonight in the opening round of the Los Angeles national invitational basketball championships.

Marshall college and West Texas meet in the first contest of the evening, followed by Syracuse and Loyola of Los Angeles, Arkansas and Brigham Young university, and Idaho and Pepperdine.

Syracuse, with its star forward, five-foot, 11-inch Bill (Bullet) Labor, is rated as the favorite, but Marshall holds the national intercollegiate championship which it won at Kansas City last March.

Second round games will be played tomorrow evening in both championship and consolation brackets, and the finals will be held Tuesday evening. Players will be guests of a movie studio Monday and will attend the Tournament of Roses football game at Pasadena New Year's Day.

COMING JANUARY 4...

A New "Golden State"

Finest, fastest in S·P history
45 hrs., Los Angeles-Chicag

A NEW, STREAMLINED *Golden State* is coming—starting January 4, and daily thereafter: the finest, fastest, extra-fare train ever to run on Southern Pacific's celebrated Golden State Route from Los Angeles to Chicago...with through service to New York, too.

The NEW *Golden State* will carry you to Chicago over its *low-altitude* route in just 45 luxurious, pleasure-filled hours. New diesel power...and a roadbed engineered for speed with comfort...guarantee you a superlative, smooth-gliding ride.

And for your pleasure—new, handsome diners and coffee shop-lounge cars, with decorations inspired by the fine handicrafts and rich colorings of the Southwest and Mexico...finest lightweight Pullman sleeping cars, with complete choice of accommodations, and *reserved-seat* reclining chair cars (each seat numbered and reserved in advance). New, streamlined lounge cars for Pullman passengers—replacements for the present comfortable and modern conventional-type lounge cars—are now being built to order for the NEW *Golden State*.

CONVENIENT SCHEDULES, TOO—with through streamlined Pullmans to both New York and St. Louis. The NEW Golden State leaves Los Angeles at 12:30 noon daily, arrives in Chicago 11:30 a.m. second morning following. Westbound, leaves Chicago 10:15 p.m., arrives in Los Angeles 5:15 p.m. second evening following.

RESERVATIONS now being made. See your friendly Southern Pacific Agent. He'll be glad to serve you.

COLORS FROM THE DESERT were borrowed for the sumptuous dining cars on the NEW *Golden State*. Varied designs and furnishings distinguish each. Golden yellow seat coverings and linens contrast with turquoise floor and ceiling of this car.

THE REFRESHMENT CAR—open to all passengers—is a social center on the NEW *Golden State*. There's a bar, lounge, and a spacious dining section serving delicious meals at moderate prices.

Sport-O-Graphs
By DON BENSON

(Continued from Page Five)

seen from a spectator's viewpoint, is the way he seemingly keeps the players together as a team. That is worth more talk later on, at another date, but you watch the way Don slowed down the play or shift's things around to his cool viewpoint. Against Modesto, the Panthers had three quickie baskets scored against them and it looked as if Modesto was on their way, but Don called time-out and after the conference, the Panthers went ahead and won the game by a comfortable ten points.

The other McCullough, Ansel, led the league last year as top scorer, whishing in no less than 33 points in one game to set a new record for the conference, as far as the record books show. This blond headed kid from El Monte, who will reach the ripe old age of 19, Jan. 1st, has a dead-eye that every rival coach in the league has learned to fear.

After playing one Saturday in the Litle Rose Bowl, and the next Saturday for the Chaffey cage squad, should speak much more loudly than anything that we can say. That's quite a change, brother, and how he and Nicholson did it so easily, makes us not only wonder but also feel just a litle bit older. (darn it.)

One thing that we started out to say was that because Chaffey won the Big Game, and they had an athletic year that perhaps will never be equalled, the football fans and people who aren't too familiar with the game of basketball, are missing a real thrill if they hibernate just because the football season is over, and don't start taking in the Panther basketball games . . . They will give you more than your money's worth and you'll find that you'll become just as excited watching Anse & Co. making a critical basket as a long pass for six points. And another thing that will impress you, if being initiated to the casaba court, is the fastness and constant speed of this game, that really takes "top" condition to play correctly. The next time that the Panthers have a game, come on down and you'll find yourself being a fan of the Panthers . . .

The West End industrial basketball league will soon be under way, with league play that will have 11 teams in action, slated for around the middle of January. League President Paul Halverson announces that the league schedule will soon be shaped up. As last year, all games will be held at the Chaffey gym, probably being played as doubleheaders on Wednesday and Thursday nights.

General Electric, who lost out in an overtime game with the Bank of America last year for the championship, is rumored to be loaded for anything that the league will offer, if the players reported ready to play for G. E. show up. Such stalwarts as Jess Knight, a top-notcher from Oklahoma and a sure-shot plus lost of savvy. Hustlin' Herman Cardin, another last year boy and former Chaffey hi player. Chuck Huggleman of last years jayvee's along with Don McClure, who also was a Panther, and a host of basketball greats from surrounding cities that are supposed to know their way around the court. Dick Morgan, Chaffey's Jay-Vee coach, will double as player-coach. Russ Farrar, will also be on hand when he isn't in L. A. Then last years all-southern California center in jaysee circles, from Pasadena J. C., plus redheaded Johnny Foust, from El Monte, who averages around 20 to 30 points per game or is unhappy. Others that will or have reported

148,000 Soldiers Fail To File Claims

LOS ANGELES (AP)—Approximately 148,000 former soldiers discharged in California have neglected to file claims for terminal leave pay.

Lt. Col. A. A. Mosley, army finance officer, estimated the claims would aggregate $34,780,000. The deadline for filing is Sept. 1, 1948.

in the G. E. fold are so numerous that it would seem that G. E. is not only out to win the league locally, but are anxious for wider fields to conquer. First of all, they'll have to be assembled as a TEAM.

This will be the first time in a long time that General Electric has had a basketball team without the name of Cliff Fowler on the roster. Cliff injured his knee at the start of last years games, and while he never recovered, carried on. I never saw Cliff play until recently, when he was on the road downhill, but competent basketball fans have told me that when he was in his prime, none was too good for Cliff to tangle with. The curse of the years and shall we say, advancing years, have respect for no one, especially in the lightning-fast basketball.

Rex Hannah, and along with Roy Wenger, noted for their softball activities, will be leading candidates for this apparently super-duper team. Rex played for the G. E., while Wenger was on the American Legion squad.

In view of all the talent that G. E. has lined up, it looks like Ontario and Upland will be well represented on the southlands basketball courts.

Annexation Plan

(Continued from Page 1)

amended act provides for a minimum of 37 members, one member to represent each school discomplied with, a fairer expresstrict. Had this provision been sion of descert interests would have been made," the association said.

After giving a resume of the proposal, the association submitted the following conclusion:

"Without bias, let us state the plain facts. Many of the desert communities face coming school bond issues.. Some of their elementary and high school areas require immediate relief. Other tax problems are imminent which will tend to swell their burdensome tax bills. If communities from the outside force the annexation proposal upon them, it will mean a first tax-lien against tax monies that could better be used for emergency school needs elsewhere. Perhaps future needeed bond elections would fail. Let us prove ourselves the 'Friendly Neighbors' that we should be.

"In the interests of fair play and democratic practice, the San Bernardino County Taxpayers association urges all voters to allow our desert neighbors to decide this election for themselves. In conclusion, the Taxpayers association, in line with their avowed policy, does not wish to make any frontal attacks upon any individual. The association is not interested in WHO is right. We are very anxious to find WHAT is right! This is our moral obligation."

Typhoon Strikes Manila; 56 Dead

(Continued from Page 1)

were "more survivors", but did not say whether they were passengers.

Manila Hit

Manila, which escaped damage from previous blows the past few months, was caught directly in the center of this one.

A report to the Chinese Commercial News from isolated Tacloban on Leyte island, said 70 per cent of the business district of that city had been wiped out by a fire which whipped through the town on the wings of the typhoon. Tacloban was the scene of some of the war's fiercest fighting on Leyte.

Harbor Wrecked

Manila's south harbor was a scene of wreckage and destruction, while the north harbor, across the Pasig river, was relatively untouched.

The air terminal at Nichols field, used by Pan-American World Airways and Northwest Airlines was badly battered.

Several planes at the Makati International airport were demolished.

The eye of the storm, which was a calm, clear oval space 20 to 30 miles across and surrounded by mountainous black clouds three to four miles high, passed over the metropolitan district and the harbor about 6:55 a.m. today, moving westward at about 15 miles an hour. It was preceded and followed by rain squalls and severe gales with gusts mounting to 90 miles an hour.
